

# AUGUSTA

G E O R G I A

Augusta-Richmond County is the only location that combines all four requirements for new companies: Workforce, Tax Incentives, Training and Transportation

## WORKFORCE

- More than 89,700 people in the Richmond County workforce alone
- Approximately 125 highly-trained military personnel leave Fort Gordon every month, with half of those desiring to remain in Richmond County to obtain employment
- Existing companies history of providing jobs for the area

## TAX INCENTIVES

- Richmond County provides state tax credits of \$4,000 per job each year for five years
- Depending on the investment and the financial stability of the company, local property taxes can be significantly reduced

## TRAINING

- The best technical training in the state is conducted at Augusta Technical College
- QuickStart training is available
- Augusta-Richmond County has Augusta Technical College's main campus and resources

## TRANSPORTATION

- Interstate 20 and Interstate 520 in Richmond County provides all four needs of business...bringing employees to and from work, and bringing resources to the facility, and moving finished product out
- A vast network of four and five lane highways in Richmond County to cut the costs of transportation for business
